

## INTERNATIONAL CONFERENCE

DEFINE YOUR COMPLIANCE YEAR:  
TRENDS, CASES AND ACTIONS

26 MARCH 2026

### ***The 2026 Compliance: From Risk Mitigation to Strategic Resilience Across EMEA & APAC.***

*Benchmark your compliance strategy against the market's hottest trends and the latest enforcement actions, a long, deep course isn't always the answer. You need a high-impact, focused day. This event is designed for maximum insight in minimum time. Get a full year's worth of strategic benchmarking in a single, high-energy day.*

### *Agenda Overview*

Time (CET)	Duration	Session Block & Format	Topic Focus	Key Takeaway / Goal
9:00 AM – 9:15 AM	15 min	<b>Welcome &amp; Strategic Keynote</b> (Live Presentation)	<b>The Geopolitical Compliance Imperative</b>	Setting the stage: Compliance is a strategic tool, not just a defensive function. Highlight macro risks (Sanctions/AI).
9:15 AM – 10:15 AM	60 min	<b>Session 1: The EMEA Accountability Regime</b> (Panel Discussion)	<b>The New EU Governance Trinity: AI Act, CSDDD, and NIS 2</b>	Actionable steps for integrating AI Risk Assessments (AIA), Supply Chain Due Diligence, and Cyber Resilience (NIS 2) into one program. Interconnections with APAC regulations.
10:15 AM – 10:45 AM	30 min	<b>Deep Dive 1: AI Liability</b> (Case Study / Expert Talk)	<b>Operationalizing the EU AI Act:</b> Defining 'High-Risk' and Building the Liability Shield.	A practical roadmap for classifying AI systems and implementing mandatory risk management systems (RMS).
10:45 AM – 11:00 AM	15 min	<b>Break &amp; Virtual Networking</b>		Poll Results Review: "Biggest unfunded compliance risk for 2026."
11:00 AM – 12:00 PM	60 min	<b>Session 2: The APAC Challenge</b> (Panel Discussion)	<b>Cross-Border Data, Localization, and PIPL/DPDP</b>	Strategies for managing conflicting global data transfer requirements and navigating the cost/friction of data localization laws (China PIPL, India DPDP). Interconnections with EMEA regulations.
12:00 PM – 12:30 PM	30 min	<b>Deep Dive 2: Geopolitical Risk</b> (Expert Talk)	<b>Sanctions Evasion: Detecting the Intermediary &amp; Export Controls</b>	Moving beyond basic screening: Advanced due diligence techniques for identifying sanctions circumvention via trade hubs and managing dual-use goods export risks.
12:30 PM – 1:00 PM	30 min	<b>Lunch Break</b>		
1:00 PM –	60 min	<b>Session 3: Whistleblowing,</b>		Best practices for running

2:00 PM		<b>Operationalizing Governance</b> (Panel Discussion)	<b>Investigations, and ABC Resilience</b>	defensible, multi-jurisdictional investigations. Ensuring the EU Whistleblowing Directive protection standards are maintained in APAC operations.
2:00 PM – 2:45 PM	45 min	<b>The 2026 Compliance Roadmap</b> (Interactive Poll & Closing Panel)	<b>Synthesizing the Top 5 Priorities for Budget and Strategy</b>	Experts debate and finalize the consensus <b>Top 5 Compliance Priorities for 2026</b> , driven by live audience polling feedback.
2:45 PM – 3:00 PM	15 min	<b>Closing Remarks &amp; Call to Action</b> (Host)	<b>Immediate Actionable Takeaways</b>	Host presents the final <b>Executive 2026 Compliance Roadmap</b> and provides a final, high-impact action item for attendees to implement immediately.

## Key Discussion Focus Areas

- **AI Governance:** Moving from ethical principles to mandatory compliance with the EU AI Act.
- **ESG & Supply Chain:** Implementing mandatory due diligence under CSDDD and managing supplier liability.
- **Cyber & NIS 2:** Operationalizing the enhanced security and mandatory reporting requirements of the NIS 2 Directive.
- **Cross-Border Data:** Navigating the severe compliance friction caused by data localization and sovereignty laws (e.g., China PIPL).
- **Geopolitical Risk:** Enhancing third-party diligence to prevent Sanctions evasion and circumvention.
- **Investigations:** Ensuring robust, protected Whistleblowing channels and managing multi-jurisdictional investigation challenges.

## Post Event Deliverables

All attendees will receive an exclusive, high-value package to support their 2026 planning:

1. **The 5-Point 2026 Compliance Imperative Brief.**
2. **The Executive 2026 Compliance Roadmap** (The C-Suite Talking Points).
